- 1.) Let us love and sing and wonder
Let us praise the Savior's name!
He has hushed the Law's loud thunder,
He has quenched Mount Sinai's flame:
He has washed us with His blood,
He has washed us with His blood,
He has washed us with His blood,
He has brought us nigh to God.

- 2.) Let us love the Lord who bought us,
Pitied us when enemies,
Called us by His grace, and taught us,
Gave us ears and gave us eyes:
He has washed us with His blood,
He has washed us with His blood,
He has washed us with His blood,
He presents our souls to God.

- 3.) Let us wonder; grace and justice
Join and point to mercy's store;
When through grace in Christ our trust is
Justice smiles and asks no more:
He Who washed us with His blood,
He Who washed us with His blood,
He Who washed us with His blood,
Has secured our way to God.

- 4.) Let us praise, and join the chorus
Of the saints enthroned on high:
Here they trusted Him before us,
Now their praises fill the sky:
You have washed us with Your blood,
You have washed us with Your blood,
You have washed us with Your blood,
You are worthy Lamb of God!

- 1.) Abide with me fast falls the eventide
The darkness deepens Lord with me abide
When other helpers
fail and comforts flee
Help of the helpless O abide with me
- 2.) Thou on my head, in early youth didst smile;
And though rebellious and perverse meanwhile
Thou hast not left me,
oft as I left Thee
On to the close Lord, abide with me
- 3.) I need Thy presence ev'ry passing hour
What but Thy grace can foil the tempter's pow'r
Who like Thyself
my Guide and Stay can be
Through cloud and sunshine O abide with me
- 4.) I fear no foe with Thee at hand to bless
Ills have no weight and tears no bitterness
Where is death's sting
where grave thy victory
I triumph still if Thou abide with me
- 5.) Hold Thou Thy cross before my closing eyes
Shine through the gloom and point me to the skies
Heav'n's morning breaks,
and earth's vain shadows flee
In life in death O Lord abide with me
